

Breeding Contract – Chalani Galaxy

This Breeding Contract for is made and entered into on (Date)/....../..... for breeding season 20__
by and between Kim Ide of Chalani Australian Stock Horses, PO Box 989 Strathalbyn SA 5255, hereinafter referred to as Chalani, and the mare owner -

Mare Owner Name:..... : hereinafter designated Mare Owner.

Address _____ Postcode _____

Email: _____

Ph No: _____ ABN: _____ A.S.H. Member No _____

Please make payment by Direct Deposit to K & A Ide, BSB 105-019 Acct: 048033440, Bank SA.

1. I require my mare to be bred by Natural Service.

Mares will be hand served and may also be run with the stallion.
Please state if you agree to your mare being run with the stallion.

I agree

I do not agree

2. Service

The mare _____ Breed _____ Reg No _____
will be bred to the stallion Chalani Galaxy for a Service Fee of \$1320 inc GST.

A non-refundable booking fee of \$440 is to be paid in advance of service and will be deducted from the service fee. Bookings are only confirmed once the booking fee is paid. Entire service fee of \$1320 is to be paid in advance where Walk-in Walk-out service method is chosen (see item 10). All mares must arrive at Chalani unshod and in good health.

3. Accounts

An account listing all charges including the remainder of the service fee will be payable within seven days of a positive pregnancy test, or upon removal of the mare from Chalani, whichever comes first. It is expected that the mare will be removed within seven days of notification of a positive pregnancy test.

4. Agistment

Agistment is charged at \$19.80 per day, payable two weeks in advance and includes hay. Other feed (supplied by owner) can be fed to the mare at a fee of \$1.10 per day. Any other special requirements are charged at \$1.10 per day (ie rugging, separate paddock/yard/foal at foot). Agistment fees after Christmas and prior to 1st September increase by \$2.20 per day.

5. Veterinary Attention

The mare owner shall ensure the mare is in a healthy and sound breeding condition, free from infections, contagious and or transmissible diseases. Inoculations, particularly tetanus and strangles are to be up to date. Vet fees with regard to the wellbeing of the mare, pregnancy testing, or to encourage a difficult breeder to conceive, are to be paid by the mare owner and will be billed directly to the mare owner by the vet. All mares are to be wormed within a week prior to arrival or evidence of a suitable Fecal Egg Count may be provided.

6. Return Rights

Should the mare slip or fail to produce a live foal, Chalani must be notified within 48 hours. A veterinary certificate confirming the mare is not in foal, or no live foal has been produced, may be requested. Chalani will accept the mare for free return service no later than during the consecutive season only, upon payment of \$220 handling fee, to the same stallion, (or substitute stallion if the above horse is no longer available). Usual veterinary charges and agistment apply for re-breeding. If a mare is neglected or undergoes any veterinary interference which terminates the pregnancy (twinning excepted), or the mare is not returned to Chalani, this contract becomes null and void. If the stallion dies, frozen semen is not available, the stallion is sold, or no substitute stallion is standing at stud at Chalani, this contract becomes null and void. No refunds will be given. Re-breeding in the same stud season does not require additional booking fees to be paid. Service fees may not be on-sold or given to a 3rd party.

7. Approval of mares

Preference will be given to mares arriving in early spring. It is recommended they arrive 'in season' and are removed following ultrasound confirmation of pregnancy 16-18 days after mating. Mares will be accepted after Christmas and before September only in unusual circumstances. Preference will be given to registered A.S.H. mares, or mares of proven performance or temperament. If a mare is considered to be an unlikely breeder another approved mare may be substituted. Mares may be run with the stallion, unless the mare owner does not agree, however hand service is usual. If in the opinion of Chalani a mare is of doubtful temperament or breeding type, Chalani will request her removal and all fees and accounts will become due and payable.

8. Sale of in-foal mare

If at the time of the sale the mare is no longer pregnant, or in good health, this contract becomes null and void. A veterinary certificate of pregnancy at the time of sale is recommended. Return breeding rights will be afforded to the new owner under the conditions of this contract.

9. Liability

Whilst every care will be taken, Chalani shall not be liable for any accident or injury occasioned to the mare or her foal at foot, while at stud, nor will the mare owner be held responsible for any accident or injury occasioned to the stallion. Insurance of mares is recommended.

10. Walk In Walk Out

Walk in – Walk out of a mare to be live served is acceptable, providing all booking and service fees are paid prior to service (total \$1320). The mare and the Mare owner are subject to all conditions listed in this contract. A mutually convenient time will be negotiated between the Mare Owner and Chalani, for arrival of the mare. The mare will be served as soon as practicable following arrival and removed from Chalani following service. The Mare Owner must have the mare vet checked prior to a walk-in walk-out service, when she is ‘in season’, to determine the best timing for service. Walk-In Walk-Out is not preferred for maiden mares, as they sometimes need additional time to properly show ‘In season’.

11. Embryo Transfer

If the nominated mare is to be used for embryo transfer the mare owner must clearly declare this, as an addendum in this contract. The mare owner is to supply registration papers and/or identity details of the recipient mare to Chalani. A veterinary certificate must be provided to Chalani specifying the details and dates of the embryo transfer into the recipient mare.

12. Service Certificate

All progeny of studbook ASH Stallions may apply to be registered with the Australian Stock Horse Society upon payment of ASH membership fee, registration fee, and presentation of the official Stallion Service Certificate. All requirements set down by the Australian Stock Horse Society need to be met in order to apply for registration and are available from the ASHS website or head office.

An ASH service certificate will be supplied following positive pregnancy test of the mare.

I require other proof of service (please specify, you may need to supply applicable forms to stallion owner): _____

13. This Contract represents the entire agreement between the parties. Contract is not transferable except as specifically stated in this contract. No other agreements or promises, verbal or implied are included unless specifically stated in this written Contract. This contract expressly excludes any prior representations and understandings.
